At Interior Resources Group, reputation is everything. We proudly supply the healthcare community with unparalleled quality, superior design and unmatched after sales support.

Dedicated to working with healthcare organizations, architects and designers, IR Group believes the healthcare environment can be rigorous AND compassionate; considering the physical space as well as the experiences people will have in it.

Our goal is to support the triad of care: patient, caregiver and partners-in-care by providing spaces that offer positive interaction and healing.

## Interior Resources Group will work with you to understand your unique healthcare environment and your project objectives then match the best solutions to your needs and budgets.

We can provide solutions from the leading manufacturers in healthcare and medical furniture including Kimball, National Office Furniture, Nemschoff, Carolina and Global. Our alliance with some of the best manufacturers keeps us well-versed about the real needs of the end-user through a human-centered design process.

Our ability to handle project complexity simplifies things for you while reducing costs and minimizing the number of vendors you need to interact with. This turnkey purchasing process reduces the number of P.O.'s issued and cuts down on paperwork. We'll manage the entire process for you.

IR Group's dedicated professionals are here to help answer any of your questions. With our office located in Dallas, we are able to serve the needs of the healthcare industry in the greater Dallas-Fort Worth Metroplex.

We represent over 200 of the most widely respected brands, while also holding the exclusive Select Dealer relationship with Kimball.

Our customers can rest easy knowing our team of trained negotiators will leverage every resource available, resulting in the most competitive terms and pricing.

Employing an in-house team of the most talented, brightest minds continues to be our focus. Partner with IR Group and expect a combination of top-notch support and paramount quality. No matter the budget, we won't stop until your vision is executed seamlessly.
